Introduction

We are pleased to present ICO Market Weekly Review #28 in 2019. This research aims to be your weekly guide to the ICO market and the blockchain community and it is based on the data that we carefully gather at ICObench to provide the best analytics.

Since the increase of the popularity of ICO market, almost \$27B has been raised altogether. With over 5,600 projects and 78K professional profiles in enterprise and blockchain published on the platform, we can ensure a clear outlook of the market and its community.

We have processed and organized a huge amount of data for this report to show you the ICO market and its community's widely differing sides — specifically ICO market size for a variety of industries, projects trending this week and countries leading in "crypto". We hope that the data in the report will be useful to you.

As always, we work on improvements and will be happy to know if you want to see any additional information in the ICO Market Weekly Review.

Thank you for choosing ICObench and we are looking forward to your feedback.

Executive Summary

This weekly report includes the progress of the second week of July in ICO and IEO world. Thus, by the end of the second week of July, 2019 it is 262 ongoing ICOs where 11 were already completed and only 3 projects have raised funds so far. However, almost 65% of projects did not provide the information about the raised funds and the data for this week will be updated as soon as possible.

Through the second week of July ICO and IEO market has raised almost \$6.8M that is significantly lower in consideration with statistics. At the same time, the average rating of projects boosted up to 4.2. UAE is the leader among the countries based on funds raised this time. As usually the most popular industries by raised funds are infrastructure, cryptocurrency and banking industry.

HorseChain ICO has raised the highest amount of \$6M during the past week. However, based on the raised funds results it was only possible to make the Top-3 with most raised projects. However, the SATT and Worldopo still have the most amount of ratings, 47 and 38 respectively.
